

Tank Care Buddy

Session 8 — V5 Brand Icon & Website Icon Overhaul

June 8, 2026

Introduced the V5 teal app icon as the definitive brand mark. Updated both the app and the website to use it everywhere: header, favicon, OG image, phone mockup, and apple-touch-icon.

V5 teal icon deployed to app

Commit: 7a2b65d8

- New teal icon replaces all previous icon versions across the app.
- Icon added to the topbar header as a lockup (icon + title).

V5 icon deployed to website

Commit: 8fa5a514

- Replaced the old inline SVG logo with the V5 icon.
- Favicon and OG image tags added across all website pages.

Icon fix: phone mockup + header logo URL

Commit: 95b40814

- Phone mockup on homepage updated with the correct V5 icon.
- Header logo switched to an absolute URL so it loads from any page path.
