

Tank Care Buddy

Session 9A — Icon Fix & Website Hero Copy

June 9, 2026

Fixed an icon issue where a transparent background wasn't rendering well across all themes. Reverted to the full solid teal PNG and cleaned up to per-theme CSS shadow only. Also updated the website's hero headline to the new slogan.

Header logo: transparent icon + theme-aware CSS wrapper

Commit: 11271594

- Tried wrapping the icon in a theme-aware div so it would look right on all backgrounds.
- This approach was later superseded.

Icon fix: reverted to full teal PNG

Commit: f25707c8

- Dropped the transparent + wrapper approach.
- Full solid teal PNG icon is simpler and looks better on all themes.
- Only per-theme shadow styling retained.
