Notes

- All images verified live via Wikimedia imageinfo API on June 07, 2026.
- Tier 1 audit (26 images, June 7 2026): docs/licenses/tier1_license_audit_20260607.json.
- Tier 2 audit covers 29 species. Combined Tier 1+2 = 55 approved entries in FISH_IMAGES.
- CC BY-SA 3.0 de (Bristlenose Pleco) is the German port of CC BY-SA 3.0 — same practical permissions.
- Public Domain images show attribution as best practice even though legally not required.
- Re-run prompt: 'Re-run the Tier 2 image license audit — same process as June 7 2026, query Wikimedia API for all Tier 2 species in FISH_IMAGES, produce JSON + PDF, commit to docs/licenses/.'
